SUMMARY

I'm an Information Technology student at the University of San Carlos who enjoys making and designing websites. My technical interests primarily focus on front-end web development and crafting minimalist user interfaces, supported by foundational backend experience with PHP, Node.js, and C for university projects.

EDUCATION

University of San Carlos - Talamban Campus 2025 – Present

B.S. in Information Technology

Dipolog Medical Center College Foundation Inc. 2022 – 2024
